Rainy days are perfect for starting something new and diving deeply into it for hours. Lera defaults to a favorite book, but Stacy has something more fun in mind. She pounces on Lera and undresses her while the shock is still fresh. They spend the rest of the day rolling around on the sofa. The rain may have stopped but they're dripping wet.

THE MAN CAVE

GRAND TOUR

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

"I'll feel more comfortable," I told Judy over the phone, "if you're here when I show him the apartment. He seems like a nice enough guy, but you never know . . ."

"Sure thing," she said. "I'll be right over."

Judy was my neighbor, my savior, and occasional lover. I was lucky to have her in my life. She had helped me through a most difficult time, providing all manner of support while I had navigated a rather nasty divorce. Parting with my philandering ex-husband had been the best decision of my life. Still, being single and free had come with a cost. The joint income I had enjoyed as a married woman was ancient history—hence the conversion of my basement into a small studio apartment.

The prospective tenant was a coworker. Having learned that Roger was looking for a place, I had told him all about my basement. Now it was just a matter of giving him the grand tour and coaxing him into signing a lease. The monthly rent alone would solve my financial woes in a big way.

After Judy arrived I poured two glasses of wine and we sat on the couch, enjoying a lazy Saturday afternoon. Her skin was deeply tanned, compliments of a recent Florida vacation. She looked great in her floral print one-piece tennis dress.

"So," she said, "tell me about Roger."

"He's just some guy from the office," I explained. "This is his first real job. I'm pretty sure he still lives with his parents."

"Fresh meat," Judy said playfully, curling her fingers into a claw and screeching like a jungle cat.

She had recently turned forty and liked to make jokes about being a tigress on the prowl. She liked them young, her men and women. I was ten years her junior. Judy had been my first girl/girl experience. She had taught me many wonderful things. We had discussed partying with a man, but had yet to find the right one. Both of us had endured awful marriages; we were guarded and highly selective when it came to the opposite sex.

"Down girl." I lashed her with my imaginary whip.

"Could Roger be the one?"

"Maybe," I said. "But renting the apartment has top priority. I don't want to scare him away before he signs on the dotted line."

Judy downed her wine. "Don't worry. I promise to be good."

I gave Roger the grand tour of what I hoped to be his future home, then led him upstairs to the house proper. Judy was in the kitchen pouring her third glass of wine. The typewritten lease was on the counter. Roger sat at my small breakfast table and read the document in silence, nodding as he neared its conclusion.

"Yeah," he said, "I'll take it."

"Wow," I remarked, "that was easy."

It was crowded in my small kitchen, what with the three of us and all. Judy leaned against the counter and nursed her wine. I knew what she was thinking, could almost hear the little wheels spinning inside her naughty head.

"It must really suck living with your parents," she remarked boldly.

Judy leaned against the counter and nursed her wine. I knew what she was thinking, could almost hear the little wheels spinning...

"Yeah," Roger replied, "it's been murder on my social life."

"I can imagine. I bet you're ready to blow off some steam, huh?"

Judy's brazenness didn't surprise me in the least. She had seduced me in much the same manner. I stood there beside the table, silent, letting her do all the talking.

Roger signed his name, opting for the twelve-month option. He regarded Judy with an amused smile, devouring her with his eyes. "Sure," he told her, "you could say I'm long overdue for a serious party."

Judy looked at me beseechingly. I plucked the bottle of wine from the refrigerator and poured a glass for Roger. Topping my own, I proposed a toast in celebration of my new

tenant. The party had begun . . .

Two bottles of wine later and our little celebration heated up quickly. As expected, Judy made the first advance, kissing Roger before turning around and asking him to unzip her tennis dress.

I sat on the couch, pleasantly buzzed from the wine, and enjoyed the show. Judy stepped out of her dress. She placed her hands on the wall as if she were being frisked by a police officer. Roger knelt behind her, peeling Judy's cotton panties. She had a nice ass. Hours on the court had kept her tushy nice and tight. Just peering at it made me wet. I got out of my clothes hastily and proceeded to rub my pussy.

Roger spread Judy's ass cheeks, gaining access to her pussy. He licked and lapped her pink crevice slowly, taking his sweet time. Judy groaned with delight, looking over her shoulder and watching me. I spread my legs, granting her a nice view of my cunt as I masturbated, working my fingers in a frenzied motion.

Still looking at me, Judy reached back with both hands and parted her cheeks even wider. Diddling my clit, I watched Roger service Judy's asshole. He poked and prodded with his tongue, savoring her donut hole as she maintained her unwavering gaze, pinning me with her beautiful brown eyes.

She was challenging me, I knew, testing my mettle. Did I have the guts to join them? Or would I remain on the fringes, safe and out of the fray? Surely Judy knew me better than that. I had been craving a threesome for a long time . . .

I got off the sofa, grabbed a straight-back chair from the dining room, and set it in the middle of the living room floor. "Sit," I told Roger.

He complied, but not before shedding his clothes. Judy and I squatted before him, taking turns sucking his cock.

"Eat her pussy," Roger said to me as Judy's head bobbed up and down in his lap. "Show me what you've got, landlady."

Having heard his command, a smiling Judy came up for air. She padded to the couch, lay there with legs spread, petting her gash as I crawled across the floor, licking my lips as I did so.

Roger had gotten out of the chair. He stood there beside the couch, waving his dick in Judy's face as I went down on her. She treated to Roger to a sloppy blowjob, plunging her lips back and forth, pumping his prong in earnest. I suckled Judy's clit and finger fucked her hot hole, working my digit in and out with increasing speed.

After we had gotten dressed Roger asked me if his performance was worthy of a discount on the first month's rent.

"Oh, shit," Roger panted. "Oh—"

He was almost there. I raised my face from between Judy's legs just in time. He withdrew and blasted both of our faces with a hefty load of cum.

After we had gotten dressed Roger asked me if his performance was worthy of a discount on the first month's rent.

"No can do, Roger," I told him. "Times are hard."

"Yeah," Judy commented, "and so was his cock."

We laughed about that one for a long time.

Sixty-nine is my favorite number.

Lesbian sex is so fun! Girls feel so soft and supple, and not to mention the boobs! The best thing though? Eating out a girl while getting eaten out yourself. Mutual pleasure feels like a massive fireworks explosion! Thankfully, we both like that position and can really get the full experience.

HOTLINE

All your troubles will fade away...

Three of us were supposed to be working the phones that night, but Ted had called in sick, leaving Wendy and myself to handle the workload. Thus far it had been a rather slow shift. Still, things were bound to pick up in the wee hours of the morning. They always did. The loneliness of that time had a devastating effect on the hopelessly depressed, prompting them to call in search of relief.

Working for a suicide hotline had never been part of the plan; at least not while I was in college working on my Psychology degree. Things changed fast. Unable to find a job in my field after graduating, the prospect of counseling people over the phone had become more and more appealing. After all, I would be providing an invaluable service, perhaps even saving lives. It was hardly a lucrative vocation, but it was vitally important, and a hell of a lot better than waiting tables or dying a slow death in retail hell.

Now, having returned from my thirty minute break (we had flipped a coin to see who would go first), I entered the small office suite, locking the door behind me as I did so. We each had our own cubicle, granting us a modicum of privacy in which to counsel callers. Mine was just inside the door. I placed my purse beside the phone atop my desk. Wendy was talking in the adjoining cubicle. As a common courtesy, I opted to wait until she was finished before notifying her of my return.

I sat at my desk and waited for the phone to ring. It wasn't long – all of ten seconds – before Wendy's banter made me do a double take . . .

"That's it, Ken, nice and slow. Keep stroking it for me. I want you rock hard. You're going to feel so much better after busting a nut in my tight cunt. All of your troubles will fade away—"

I couldn't believe it! Wendy was having phone sex with a caller! Enraged at her lack of professionalism, I jumped out of my chair and rushed into her cubicle. She jerked at my intrusion, the color draining from her face. In a panic, she hung up in Ken's face. "It's not what you think," she stammered. "Please, let me explain . . ."

I stood there, arms crossed, towering over her like a tyrannical schoolmistress. "This better be good, Wendy. Otherwise I'm going to have to report you."

"So you see," Wendy said to me in conclusion, "it's actually very effective in the treatment of depression . . ."

At the midpoint of her lengthy explanation I had perched myself on the corner of her desk. I remained there, fascinated by what I had just heard. Wendy had been experimenting with her unorthodox method for months now, going into "phone sex mode" on the rare occasions when she had the office to herself.

But there was more. She had actually worked for a phone sex hotline before landing this present gig. Old habits die hard, I mused. And I could see the validity of her approach. If getting off over the phone prevented some sad sack from committing suicide, then I was all for it. Of course our bosses would never approve. As for Ted—well, I had no idea what he would think.

I apologized for my kneejerk reaction. "The whole thing just caught me off guard, Wendy. But no worries; your secret is safe with me. Whatever works, right?"

"My thoughts exactly," she said before taking her break.

The day shift crew relieved us at seven. I was walking to my car when Wendy brought up breakfast. "I'm starving," she said. "How about breakfast?"

"Sure," I told her, thinking we would go to a nearby diner.

"Great," Wendy remarked. "I make a mean omelet."

Hers was a modest one-bedroom apartment. True to her word, the omelet was delicious. I was helping Wendy with the dishes when she dropped her sponge in the sudsy wa-

ter and turned to face me. "My titillating talk turned you on, didn't it?"

"Well, Wendy, I—"

She cut me off, sealing her lips to mine. I surrendered to her hot probing tongue. We remained locked for some time before breaking apart. I was shocked, yet again. Wendy was full of surprises. I had had one girl/girl experience; this when I was a freshman in college. It was time for another . . .

Sitting in a straight-back kitchen chair, her legs spread, Wendy played with her pussy as I shed my clothing. Having saved my panties for last, I peeled them with a seductive slowness. Then I went down on her, licking her wet crevice, prompting her to gasp and writhe. She grabbed both of her legs and pulled them back, bending herself, granting me unobstructed access to her hot holes.

Continuing to lick her pussy, I slid a finger into her asshole, plunging my digit in and out, working her into a proper frenzy. Wendy lowered a hand and rubbed her clit, manipulating her turgid nubbin with deft skill.

I loved the taste of her pussy. Still, I was eager to sample her cute little brown eye. She shuddered when I did so, shuddered and moaned and strummed her clit even faster. I poked and prodded her asshole with my tongue, all the while playing with my pussy. Giving pleasure to Wendy upped my own, making me wetter and wetter.

Wendy knew this.

And she was ready to savor my sodden snatch.

I thought we would swap places, but she had other ideas, directing me to the edge of the table where we had eaten breakfast just a few minutes prior. Placing my forearms atop the smooth surface, I bent over the table, peering over my shoulder as Wendy knelt behind me. She pushed my cheeks apart, exposing my pussy and asshole for a thorough inspection. She ate the former. Then the latter. I rocked to and fro with excitement, my tits pressed against the tabletop as I exhorted her to continue; which she did, bringing me to a mind-bending orgasm.

It wasn't until I had gotten dressed and was ready to leave that Wendy mentioned Ken. At first I didn't know who she was talking about.

"Who's Ken?" I asked her.

"The guy on the phone," she reminded me.

"What about him?"

"I hope he's okay. I shouldn't have hung up on him."

"That was my fault. I shouldn't have barged into your cubicle."

Wendy's face was twisted with concern. I knew what she was thinking; because I was thinking the exact same thing. Had Ken – in the wake of an abrupt dial tone – done something rash? The grim prospect gave me chills.

Our concerns regarding Ken were allayed the following night when he called back. Wendy took the call, relief washing over her face as she, cordless phone pressed to the side of her head, dashed into my cubicle nodding and silently mouthing "it's him . . ."

A massive weight lifted from my shoulders.

Ken was alive.

And, judging from Wendy's side of the conversation, ready to pick up where the two of them had left off the previous night. Ted had called in sick again, his absence granting her the freedom to be as dirty as she desired.

I don't know about Ken, but Wendy's filthy banter was highly effective. Sitting in my cubicle waiting for the next call, I listened attentively to her every word, getting seriously horny as she turned up the verbal heat . . .

"My pussy is dripping," Wendy said from her cubicle, "and my nipples are hard. Do you like tits, Ken? I bet you do. I bet you'd like to suck on my big cans . . ."

I couldn't speak for Ken, but I was definitely game. Yesterday's tryst with Wendy was still fresh in my mind. Unable to resist the impulse, I lifted the hem of my skirt, pushed my panties aside, and proceeded to masturbate. Ears tuned to Wendy's naughty talk, I rubbed my pussy in earnest, diddling myself with mounting excitement. My heart pounded. My breathing became ragged. My nimble fingers seemed to move of their own accord, pushing me closer and closer to the precipice . . .

I had just smoothed out my skirt when Wendy paid a visit to my cubicle. She was all smiles. Her complexion glowed. "I guess you heard all that, huh?"

"Every word," I replied. Then I asked her if Ken was okay, im-

mediately regretting this as it was a stupid question. Of course he was okay! The guy had just had steamy phone sex with an ex-professional in the field!

"For the time being," Wendy told me. "But he could be much better."

"Is he seeing a psychiatrist?"

"Ken can't afford one; he doesn't have health insurance."

"That's too bad."

"Yeah," Wendy went on, "but I wouldn't consider him a hopeless case. In fact, I know just the thing that will set him on the right path."

What she told me next didn't surprise me at all. I was a fast learner. Yesterday had taught me a lot about my colleague. When it came to Wendy, I realized, one had to expect the unexpected. For this reason I didn't bat an eye when she told me that we would be meeting Ken for an up close and personal counseling session.

We left work at the usual time, grabbed a quick bite at a drive-thru window, and ate in Wendy's car as she drove us to Ken's apartment. He answered the door in a robe and flip-flops. His hair was wet. No doubt he had just taken a shower. Sprucing up for his big date, I mused, crossing the threshold.

"Which one of you is Wendy?" he asked.

"That would be me," Wendy said.

He gave her a hug. "Thanks for everything. You've helped me a lot."

"You're welcome, Ken, but there's still much work to be done. Mental health is an ongoing project. That's why I scheduled this face-to-face session."

Ken didn't look depressed. He was well groomed, animated, and seemed full of energy. Still, looks were often deceiving; scores of people put on a brave face while dying inside. It was sad but all too true.

"Where should we do this?" Ken asked us.

"The bedroom," Wendy told him.

He knew what was up. During the drive over Wendy had told me that she had promised him a "full service" experience. This explained his upbeat demeanor. The guy knew he was in for a fun time.

"So," Wendy said as we entered his bedroom, "let's see what's under that robe."

Ken untied his belt and tossed the robe across the back of a nearby chair. I admired his body. He was fit. Clearly Ken was a regular at the corner gym. But that wasn't all. He had a nice cock, too. I couldn't wait to have it in my mouth.

Wendy was thinking along the same lines. After shedding her blouse and bra, she crouched before him and devoured his member. Watching her suck his dick, I undressed with haste, then occupied the chair, raising both feet to the seat cushion. Digging my heels into the padding, I spread my legs and played with myself.

Ken alternated his gaze between the two of us. My colleague bobbed her head with a frenetic motion. She slobbered, gagged and gasped, treating him to a sloppy/slutty blowjob that would have lifted the spirits of even the most despondent of men.

The smile on Ken's face told me that his mood was up.

And that wasn't all.

His cock had swelled in response to Wendy's superlative knob polishing, filling every inch of her mouth with rigid man meat. She pulled back, took a gulp of air, then serviced his balls. Stroking his thick shaft with her hand, she nibbled, licked and sucked his nuts. Ken grunted and moaned.

No longer content with watching the action, I got out of the chair and knelt beside Wendy. She turned her face to mine. We kissed. It was identical to yesterday's kiss in her kitchen. Our lips colluded; as did our tongues, fusing us as Wendy continued to work her hand up and down Ken's massive rod.

After the kiss we took turns sucking his dick, alternating rapidly, a regular tag team scenario. This went on for a while before Ken told us to get on the bed. We obliged. Both of us were eager for the forthcoming fuck. Ken didn't disappoint. He pounded Wendy's pussy missionary style. Then he did me in the same manner. Lastly he jerked off while I ate Wendy's cunt, blowing his cum load all over her big tits.

"That was great," he said after catching his breath. "I haven't felt this good in years. You two are a credit to your profession."

"Thanks for the compliment," I told him.

"We aim to please," Wendy announced, "at the suicide hotline!"

AVA & TIFFANY

After class fantasy

Ava and Tiffany love the school-girl look and all the fantasies that come with it. The ties, the stockings, the skirts, the bows; all of it is such a major turn on. The girls are raunchy, debauched, and sexy as they go down on and finger each other. An extra long dildo stuffing their pussies and a glass plug in their tight asses is exactly what they need to finish.

CARLOTTA & ARIA

Older and hotter

Women with experience know how to bring the heat. Aria and Carlotta are seductive, sensual, and know how to make anyone horny. They like lingerie, jewels, and having slow, passionate sex where they really explore each other's bodies. Having a partner that can match your pace, and is a good lay on top of that, is definitely a blessing.
